

## JITTER GLITTER NECKLACE

Here are two necklaces  
One's big and one's small  
For your first day of school  
That is coming this Fall

They're full of fairy dust  
That sparkles and glitters  
To help you feel calm  
And get rid of your jitters

I'll wear one necklace  
And I'll think of you  
The other one's yours  
So you'll think of me too

Wear it to school  
While you learn and you play  
To remember your mommy  
While you're away

## HAPPY FIRST DAY OF SCHOOL!
