CHRISTMAS PLANNER

2022

let's get planning!

Welcome to your Ultimate Christmas Planner! Christmas is my favourite time of year, and I find that planning out our family's schedule, budget, decorations, gifts and food in advance of the Holiday keeps it feeling relaxed and magical.

This printable Ultimate Christmas Planner includes everything you'll need to plan your Christmas so that you can enjoy it without having to worry. It includes everything from calendars to a budget tracker to a menu planner. My hope for this planner is that it will help keep you organized and relaxed so that you and your family can have a stress-free Christmas break.

You can print the pages that you will use one-by-one, or you can print the entire planner from the first page to the last. If you need more copies of one of the pages (i.e. the Gift Checklist or recipe page), print more copies of that page. Use this planner in a way that works for you.

Now, let's get planning!
